# If exporting, list possible destinations below.

Your product cannot be exported to the USA using OFC's certification. You must also have NOP certification.

Briefly describe any neighbouring activities which may impact adversely on your ability to maintain the organic/bio-dynamic integrity of the products you intend to produce.

If you are wholesaling your own products which are produced by another certified operator, products to be labelled 100% Organic/Bio-Dynamic, Organic/Bio-Dynamic, Made With Organic/Bio-Dynamic or Approved Organic Input will need to have the recipes/formulations and labels approved by OFC prior to production and sale of product.
