Derogation Application

Applicant's Nar	ne:							Cert No:	
Email Address:									
Property Addre for Derogation:									
Contact Numbe	er:				Contact Name:				
Date of Submiss	sion:				Intended Start Da	art Date:			
Length of Time Derogation is re			quired: (Max	12mths)					
Non-GMO State	ment	attached: [□ YES □ NO		Fungicide Treatme	nt stat	tement a	attached: [□ YES □ NO
Dynamic Produ			S .			Section: See pag			
Product Type: (Eg non-organic non-natural fee									
Reason for Derogation: Attach all relevant documents required as per page 2 of this form. For example: Letter or email from supplier Phone calls: supplier name & date called Non-GMO statement Fungicide statement			List below the reason/s you are applying for a derogation. Input material is not available in: Required variety Sufficient quality Sufficient quantity I have listed below the suppliers that I have contacted in an effort to source the input material, including date contacted. Other (detailed below):						
Client Name:					Client Signa	ature:			
				Office	Use Only	_			
Derogation Granted: Yes ☐ No ☐		Conditions that apply:							
Derogation Valid		•		Derogation Valid					
From:				To:					
Approved by:			Signature:						
Position:					Date of approval:				

- Derogations can be issued for a maximum of 12 months.
- All evidence will be assessed for compliance to the National Standard for Organic and Bio-Dynamic Produce.
