DECLARATION:

I _____, hereby make an application to become a client of The Organic Food Chain Pty Ltd (OFC) for the purpose of becoming a certified Regenerative Operator. I have read and understand the *OFC Certification Policies For Operators*. I agree to abide by the requirements of the OFC & *The Regeneration International Standard*.

I provide the above information on the understanding that it is confidential and will only be used by OFC for the purposes of this application. I understand that if the information I have supplied is incorrect, incomplete or untrue my application will be null and void.

In order to assess compliance to *The Regeneration International Standard* and meet regulatory requirements, OFC may need to share your information to other parties involved in OFC's compliance and certification activities.

OFC may use and disclose your personal information for the primary purpose for which it is collected. OFC may also use and disclose your personal information for reasonably expected secondary purposes which are directly related to the primary purpose and you would reasonably expect us to use the information for this secondary purpose. Otherwise OFC will not disclose your personal information unless the conditions of the Australian Privacy Principles are met, for example you have consented to the use or disclosure; or the use or disclosure is required or authorised by law.

A reasonably expected secondary purpose includes audits conducted on OFC for the purpose of accreditation of OFC by domestic and international agencies, including but not limited to Regeneration International.

From time to time OFC are required to disclose information to others on your behalf. It is implied in every engagement with you that OFC has your consent to make all necessary and reasonable disclosures to others. It is also implied that OFC have your consent to determine if another party has a genuine need to obtain access to your personal information. In circumstances which fall outside those circumstances set out above, OFC will seek your consent before using or disclosing the information.

As an OFC certified applicant, I give permission for OFC to disclose information acquired during the course of inspection or certification activities (e.g. application, inspection report, soil/product sample tests, regenerative agriculture management plan, farm/facility map, formulations and label approvals) with such parties. These parties may include, but are not limited to, OFC personnel, Directors, inspectors, consultants, sub-contractors, testing laboratory, reviewers, and impartiality review committee. All of these parties have signed a confidentiality agreement with OFC.

I understand that it is a requirement of certification that my certification details are made publicly available on the OFC website.

Upon acceptance of this application, the applicant will formally be in a contract with OFC for Certification Services.

The applicant will at all times disclose to OFC information that pertains to their certification and to their business structure. EG: Name, Address, Phone, etc

Operators can be subject to unannounced inspections as part of their Regenerative Certification as per section 4.1.2 of the *Regeneration International Standard*.

The applicant will at all times comply with the requirements under *The Regeneration International Standard*.
